

## Bruce L. Miller, MD

By *admin*

Created 01/15/2010 - 22:41

[UCSF - San Francisco CADC](#) [1]  
Director / Principal Investigator

Dr. Miller is the director of the UCSF Memory and Aging Center where patients in the San Francisco Bay Area receive comprehensive clinical evaluations.

Bruce L. Miller, MD, is Professor of Neurology at the University of California, San Francisco (UCSF) where he holds the A.W. & Mary Margaret Clausen Distinguished Chair. Dr. Miller directs the busy UCSF dementia center where patients in the San Francisco Bay Area receive comprehensive clinical evaluations. His goal is the delivery of model care to all of the patients who enter the clinical and research programs at the UCSF Memory and Aging Center. Dr. Miller teaches extensively and runs the Behavioral Neurology Fellowship at UCSF.
